

ILLUMINATION FOR DUMMIES

The scribes who labored at reproducing manuscripts in medieval times would find, today, that the art of hand lettering remains a highly specialized, disciplined field. Below is a small sampling of our illuminated initials. Our materials include hand-ground Chinese ink, Winsor Newton colors and 23k gold.

**BOXED INITIAL WITH COLOR
ILLUMINATION, 23K GOLD**

**BOXED INITIAL, ILLUMINATED
BACKGROUND, MONOCHROMATIC,
23K GOLD**
